Typical Board Month

Board Workshop: Workshops can last 4 to 6 hours long. Our board learns about items that will be presented at the regular board meeting for approval. They can take a deeper dive and ask questions on items presented. These are held once a month.

Board Briefing: Monthly 1 to 1 conferences with the Superintendent. These meetings tend to last about 2 hours. This is an opportunity to ask any clarifying questions.

Board Meetings: Meetings can be between 2 to 3 hours long. These are held once a month. It is at these meetings that Board of Trustees approve all items on our Consent Agenda, if they believe it is in the best interest of the district.
